

# January Update

Thank you for sending your child in school uniform!

Thank you for supporting our events!

Happy New Year to all our families and partners. As we head into this year there are things we would like you to add to your NY resolutions list or just to let you know about. On occasion, there are pre-arranged adaptations required to our rules for children so please read our reminders with this in mind.

I look forward to working with you this term and I am very excited about all the great events that are taking place at Stanley for the children and you to enjoy.

Yours in partnership,

Mrs Inconorato

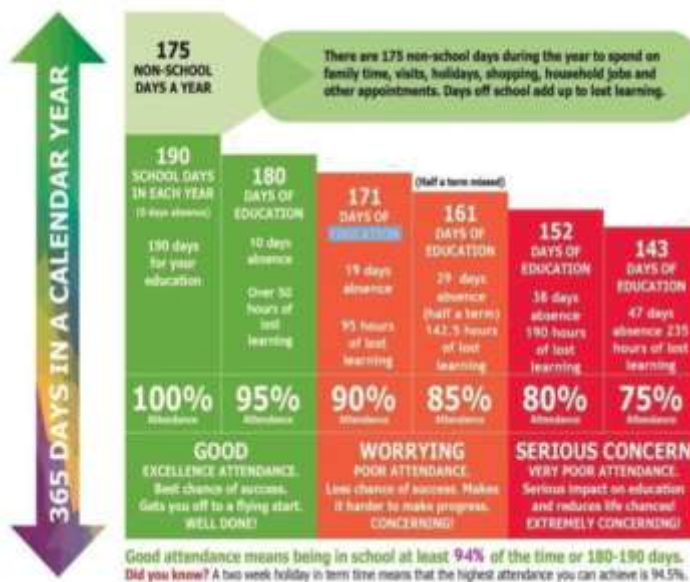

Head Teacher

## New Year Reminders

- If children must bring phones to school these should be handed into the office and children should not be on their phones at any point in school. Please can you help us by reminding your children of this
- Water bottles should be plastic and only contain water
- Under no circumstances should children bring fizzy juice to school as we are a health promoting school
- Children should not eat in school out with break times or in class, this includes chewing gum, which is not allowed at any time.
- Remember to text or phone if your child will be late or absent so we can help keep everyone safe

Thank you for displaying our values:  
Inclusion  
Respect  
Ambition  
Determination  
Honesty

### DON'T MISS OUT ON THE EDUCATION YOU DESERVE
