

Primary 1 – Primary 7

STEAM: Week 2 Challenge

Handwashing

- Your mission this week is to create a way to tell others about the importance of handwashing.
- This could be a poster, a video, a Power Point presentation or in any other creative way.
- Remember to include **HOW** to wash your hands and **WHY** we should be washing our hands regularly.
- It is important that people pay attention to your message so make it eye catching.

Think: bright, bold and colourful. Tweet us your creations [@BridgetPrimary](https://twitter.com/BridgetPrimary)
