Pumpkin Patch	<p>Date Tues 28<sup>th</sup> October 3pm-4{4.30}pm</p> <p>It was brought to our attention that there is an allergy to pumpkin seeds within the school. After discussion and seeking advice from the correct people it has been decided that the event can still go ahead with a few adjustments. No pumpkins will be in the school grounds instead families can enjoy the activities inside and when leaving children can collect a pumpkin from a PC members car in the carpark to take home.</p> <p>Pumpkins to be collected the day before and kept in cars.</p> <p>Possibility of having a rail with free Halloween costumes available.</p>	<p>Aidan has volunteered to source and collect pumpkins.</p> <p>Helpers available on the day include , Lisa H, Aidan, Amanda G, Angela, Kirstine, Stacey S, Stacey B</p> <p>Email to Geilsland awaiting response.</p> <p>Letters have been sent home to estimate the number of pumpkins needed.</p> <p>All media has been posted by Stacey and the School.</p> <p>The Event is free, but the optional extras of sweet bags and hotdogs are chargeable.</p>

	We will ask Tesco if they are able to help supply the Hotdogs.	Hot chocolate is free.
