

Vision

At St. Bridget's, our vision is to create a supportive community where everyone works together to help each child learn and reach their full potential.

We want to nurture their talents, respect for others, cultural diversity, and care for the environment.

(UNCRC, Article 29)

Aims

- To foster strong partnerships among pupils, parents, school staff, agencies, and the community to support the development of each learner's academic, mental, emotional, and social skills (UNCRC, Article 18).
- To create a safe, secure, happy, exciting and hardworking atmosphere which supports learners so they are challenged, make good progress and achieve their full potential (UNCRC, Article 6).
- To offer equity and equality of opportunity for all within a welcoming and inclusive environment (UNCRC, Article 28).
- To provide a curriculum that enables all learners to develop a wide range of skills while addressing their diverse needs, interests, abilities, and levels of development (UNCRC, Article 29).
- To build on learners' existing knowledge, skills, and understanding to prepare them for every stage of their education and life journey (UNCRC, Article 8, 29).
- To deliver a curriculum that is well-planned, broad, balanced, and relevant, offering engaging learning experiences that build skills and knowledge while ensuring clear progression (UNCRC, Article 29, 31).
- To develop effective communication skills in all students, enabling them to express their ideas, thoughts, and emotions clearly and confidently, while also fostering active listening and respect for the viewpoints of others (UNCRC, Article 12).
- To promote the importance of mental & physical well-being by providing regular opportunities for physical activity, encouraging healthy eating habits, and fostering an understanding of how lifestyle choices impact overall health, well-being, and personal development (UNCRC, Article 24).
