

Literacy

This term, we will be developing our talking, listening, reading and writing skills. We will be sharing our ideas, listening carefully to others and taking part in discussions. In reading, we will be enjoying a range of texts and talking about what we have read. In writing, we will be developing our ideas, using interesting vocabulary and working on spelling, punctuation and presenting our work clearly.

Numeracy

This term, we will be building our confidence with numbers by reading, writing and ordering numbers, spotting patterns and practising counting in different steps. We will also develop our addition and subtraction skills and explore money, including making amounts, paying for items and working out change. I'm looking forward to seeing the children's confidence grow as they share their thinking and have a go at new challenges!

Religious Education

This term, Primary 3 will focus on making good choices, following Jesus and growing closer to God through prayer, while Primary 4 will explore God's love, Scripture and the Liturgical Year. We will also celebrate Our Lady's Birthday on 8th September, giving thanks for Mary, the Mother of Jesus and our Mother.

Health and Wellbeing

In P3 and P4, we will develop our skills through a range of PE activities, including gymnastics, dance, games and athletics. In Health and Wellbeing, we will explore themes such as kindness, honesty, fairness, responsibility and cooperation, helping us to build positive relationships and work well together.

S.T.E.A.M

In STEAM, P3 and P4 will enjoy hands-on challenges combining Science, Technology, Engineering, Art and Maths. Through activities such as rocket racers, LEGO engineering, creative art and the Great Egg Drop, pupils will develop their creativity, problem-solving and teamwork skills.

Class Information

Homework will include challenges set on Seesaw and Sumdog to help reinforce our learning in class. Reading books will also be sent home regularly, and practising these together at home is a great way to support your child's reading. P.E is on Monday and Tuesday.
