

Reader of the Week

Lucie Quinn

What was your favourite childhood book and why?

I don't really have a favourite childhood book. My mum says I liked everything that she read to me when I was younger. I can remember reading a young version of Dracula and really enjoying it.

What kind of books do you read now?

Lots of different genres especially sci-fi, fantasy and mystery

Which 3 books do you think everyone should read and why?

Definitely the Dark Matter series (Contagion, Deception and Evolution) by Teri Terry. It is a great series and also fitting for current times.

Which fictional place would you like to live in and why?

Camp Half Blood (from Percy Jackson and the Olympians). It's just one of these places that seems really cool.

Who is your favourite villain hero and why?

Probably the Darkling from Shadow and Bone or Kronos from the Percy Jackson books. They're just cool.
