

Reader of the Week

Emily

What was your favourite childhood book and why?

I really liked *The BFG* by Roald Dahl because it was quite adventurous and made me want to go to sleep so that the BFG would come!

What kind of books do you read now?

I really enjoy adventure and fantasy books.

Which fictional place would you like to live in and why?

I would like to live in Hogwarts Castle as I would have so much fun with all the magic taking place there.

Which Hogwarts House do you think you would belong to and why?

I think I belong to Ravenclaw as I'm not brave like Gryffindors (Mrs McPhee thinks you are very brave for being first S1 to volunteer to be Reader of the Week!), mean like Slytherins nor happy all the time like Hufflepuffs.

Books or films first?

Books first

Name a fictional character that you would have as a friend

I would love to be friends with Anne from the Famous Five. I think that we would get on very well and get to go on many adventures.
