

Literacy

Phonics: P1 will be learning to recognise the initial sounds (s, a, t, ...) and begin to blend these to create CVC words (3-letter words). P2 will continue to develop blending digraphs such as sh, ch, th, and wh.

Reading: This term P1 will be using their phonics to read new words and make sensible predictions. P2 will be focusing on reading with fluency and expression, as well as building on their comprehension skills.

Writing: Our focus will be on sentence structure, using capital letters, punctuating more consistently, and spelling common words.

Talking and Listening: As a class, we will focus on being good listeners and what this looks like, as well as taking turns to speak during discussions.

Happy Birthday!

Colton, Prosper, Zoe and Kieran.

We hope you have the best day!
