Health and Wellbeing

Our PE days are Wednesday and Friday. This term we will be changing into our full PE kit. Our focus in PE will be participating in ball games and dance.

Within Health and Wellbeing we will be looking at personal hygiene through hand washing and teeth brushing. We will be using The Tree of Knowledge programme to further develop our social and emotional wellbeing.

Numeracy and Maths

In Numeracy, we will be working on our mental maths by recalling numbers both forwards and backwards. We will then be developing our skip counting by counting in 2s, 5s, and 10s. We will also be looking at comparing items/numbers, using vocabulary such as more/less, greater than, and less than. We will continue to work on addition and subtraction using various strategies.

Spanish

This term we will continue to work on morning greetings, numbers and days of the week through song.

Topic

The children have been enjoying our topic of Percy the Park Keeper. We will continue this as our topic with a focus on caring for the environment and the different seasons.
