

**YOUNGSTEM**  
Leader

led by **sserc**

Your child has expressed an interest in becoming a young STEM leader in their school.. Your child will be supported by the Family Learning Team, to achieve their **Young STEM Leader award**.. Your child will work with a small group of aspiring leaders to plan and log their STEM conversations and activities. They will plan and lead fun STEM activities for the family to take part in at home.

If you and your family are happy to support your child to deliver STEM activities at home and receive regular planned support phone calls then please click the link below.

To register your child for the STEM LEADER AWARD
