## **STEAM Week Volunteers**

Dear Parent/Carer

Our annual Science, Technology, Engineering, Art and Math (STEAM) week begins on Monday 14 November to Thursday 17<sup>th</sup> November. We were wondering if there are any parents or carers that would be willing to come into the school during STEAM Week and share any expertise or skills. In the past parents have talked to the pupils about their work, completed science experiments or taught the children something STEAM related.

We would be most grateful if you would be able to give up some of your time to come into the school and provide the pupils with an enriching experience. If you have any questions please just ask.

Many thanks in advance for your support.

Kind regards,

Kirsty Rolfe

Depute Head Teacher
