### **School Fundraising - Smarties for Smartys**

Dear Parent/Carer

We are fundraising to buy new and improved resources for our school to enhance our wider provision including outdoor learning and play. School budgets continue to be challenging in the current economic climate and we always want our resources to be the very best for our children but currently we are only able to purchase basic essentials.

Each child will bring home a tube of Smarties today and we are asking that, once they have enjoyed the contents and over the next 4 weeks, they do their best to get as many 20p coins in their tube as they possibly can. They could "earn" their 20p's in a variety of ways i.e. helpful tasks at home, working especially hard on their home learning, donating some of their pocket money etc.

Please return your tubes to school by Friday 1<sup>st</sup> March - filled tubes would be fantastic but any amount would be gratefully received.

We hope this proves to be a fun activity as well as helping our school purchase some fabulous resources for the benefit of all the children in school and Early Years. Thank you for your support.

Kind regards

**Gemma Carson**

Head Teacher
