

Outdoor Classroom

We are trying to develop the use of our school grounds to promote outdoor learning at West Kilbride. We are looking for donations to top up our resources to use when we are learning outdoors.

If you have any of the following resources at home that you would be willing to donate, please bring them to school by **Friday 10th May**.

- Unwanted plastic farm/ woodland animals
- Kitchen Items e.g. pots, baking trays, wooden spoons etc.
- Unused decking boards
- Old tyres
- Plastic crates/ wooden pallets
- Guttering
- Loose parts e.g. shells, stones, corks, sticks
- Fairy Garden items e.g. small garden gnomes/ decorations
- Unwanted toy cars/ diggers
- Waterproof material e.g. tarpaulin
- Water Bowser

We really appreciate your ongoing support,
Mrs Langan
