

West Kilbride Primary School Parent Council*

AGM Chair Report - 1st September 2025

Good evening and thank you all for attending the AGM this evening.

We are delighted to welcome both returning and new members of the parent forum and thank you for the support you give to our school community.

Over the 2024–2025 school year, we've worked hard to support the school and children through both fundraising efforts and community initiatives.

We held a wide variety of fun and engaging events throughout the school year with some new activities like a Taylor Swift tribute, Wonka Bar Challenge in conjunction with World Book Day celebrations, Easter Trail and an End of term disco.

In addition to fundraising we provided some important services for our children and families -

Reintroduced and funded the Fuel Station to ensure all pupils have access to breakfast and a morning snack

Supplied pre-loved uniforms

Helped reunite lost property

Started and continue the petition for reinstating Crossing Patrols - a special mention to Laura who isn't on the parent council but did so much campaigning behind the scenes on this and continues to do so.

Supported DHT interviews - welcome to your first full year Jenny! We've loved having you on the WK team!

Thanks to the dedication of our community, this year we raised a Total of £7,756.90 with grants & community donations of £3,464.84

A special thanks to our donors

We have an exciting line-up of events planned for the upcoming school year kicking off with our Halloween Disco and some new activities we have planned such as a Santa Dash for the whole school and an Abba tribute for adults only in the Village Hall next year. These will hopefully support the loss of funds we experienced having our spring fayre on a Friday and not a Saturday afternoon.

We look forward to your support in making these events fun and successful for everyone involved.

We are always looking for enthusiastic and committed parents who can make a positive contribution and volunteer at our events to join the Parent Council so do get in touch if this is you!

Thank you to everyone who contributed time, energy, and support to the Parent Council this year. Together, we've made a real difference in the school experience of our children.

We look forward to another successful year ahead!
