JustGiving

We are close to reaching our goal

The staff are asked by the Parent Council each year to identify something big they wish they could have.
Last year the request was a new speaker system for the Main Hall. We are aiming to raise £1500 to purchase a new speaker system for the school. We are doing this through Tuck Shop income and a JustGiving page.

Current JustGiving donations: £545.
Can you help support this cause and help us reach our target?

Project Update: Success Story

Coltness Cups

Coltness High School Parent Council worked with the school staff team to successfully gain £8597.35 to build a coffee shop in the main school area. This allows the students who are undertaking Barista qualification at the school to gain real life experience of working in a Barista coffee shop. The Parent Clouncil are thrilled to have been able to support this project.

With thanks...

This project has been supported by The Savoy Trust who provided the funding. It was also supportred by MIYO who worked with the school to create the branding for the project.

What we do to raise funds

Coltness High School Parent Council has continued to support with the costs of the Senior School Ties. This year a contribution of £500 towards the cost of ties.

The Parent Council has continued to support the cost of the School Prom to take place. This year a contribution of £250 was made towards the costs.

The Parent Council have been working on a Just Giving campaign to raise enough funds to replace the speakers in the Main Hall of the School.

The Parent Council raises funds through easyfundraising to contribute to supporting activities in the school.

The Parent Council runs an Amazon Wishlist page to gather donation of items requested by the teachers.

The Parent Council run a Tuck Shop at school events selling juice and sweets to raise funds for school projects and to raise the profile of what we do in the school.
