

Orbiston Community Hub

Introduction:

Over the past few months, the team have been working behind the scenes to develop the proposals for the new Orbiston Community Hub.

There are many factors that have influenced the re-design following Pre Planning Consultation events including stakeholder and community feedback, as well as additional survey information and cost pressures due to ongoing inflationary pressures.

Recent News:

Prior to the submission of the Planning Application later this month, we will be holding further stakeholder and community engagement sessions.

The sessions will include presentations to pupils, staff and parent councils of Lawmuir Primary School, Sacred Heart Primary School and Nursery, as well as the local residents and wider community.

All events will take place on Wednesday 22nd March, where the proposals for the new community hub will be presented by the designers.

If you have any questions, please contact the Hub Delivery Team on the email below:

HubDeliveryTeam@northlan.gov.uk
