

Newsletter June 2020

Dear Parent / Carer,
Prior to staff returning to Lawmuir our Facilities Support Services Team have been carrying out a deep clean of the building in preparation for us all returning to a 'new normal'. Risk assessments for staff returning have been completed and I'm delighted to tell you that our staff have returned to school to prepare and plan for the return of our pupils in August. Risk assessments for pupils returning will be completed for August.

We are currently working to develop the new operating model for partial delivery/blended learning which will take account of staff capacity and the building capacity to enable us to ensure the safety of all of our pupils. Further information can be found in the video and letter emailed to parents. <https://bit.ly/3f8PSQE>

Different schools will have different procedures to fit the needs of the school. The decisions taken for Lawmuir will enable us to make a smooth transition towards a new normal. School procedures will be different when children return. We have three coloured zones for entering the campus. You will be issued with information which details which zone your child should use to enter/exit the campus. Start and finish times will be staggered as will break and lunchtimes. Please note that children will not be allowed to leave the campus during the school day, this includes during lunchtime. All children will be required to stay in school for lunch. They can either bring a packed lunch or order a school dinner. There is no crossing patrol during lunchtime.

GLOW - TEAMS

New classes will be set up for digital learning in the new school year and logins / passwords issued as part of our new blended learning approach, more information will be issued in August

Blended Learning Model

During our Recovery phase, pupils will attend school for two days, either Monday & Tuesday or Thursday & Friday. These will be communicated to you individually. Please note due to planning capacity we are unable to accommodate any changes to the allocated days. Blended & Digital Learning will be in place for the other days your child is not at school. More information will be communicated in August.

It was lovely to meet our new Primary 1's last week who came to the playground to meet a very special visitor 'Robbie our Rights Respecting Lion' and their new class teacher. When we return to school our Primary 1 children will be invited to a transition visit on Wednesday 12th August, please note the time on your invite which will be sent over the summer holidays.

Summer Holidays
Begin Thursday 24th June

New Term

In-service Day Tuesday 11th August
Pupils return from Wednesday 12th August
Please check your letter for the days you have been allocated to attend.

The summer holidays are nearly here !
Hard to believe it's that time already, where has all the time gone!
Lets hope that the sun shines and that we are able to get outside in the fresh air and enjoy the sunshine. Wishing all our families a Happy & Safe Summer Holiday.

Lawmuir PS
The Lawmuir App

Our new Lawmuir Primary School App will provide up-to-date school information, straight to your device.

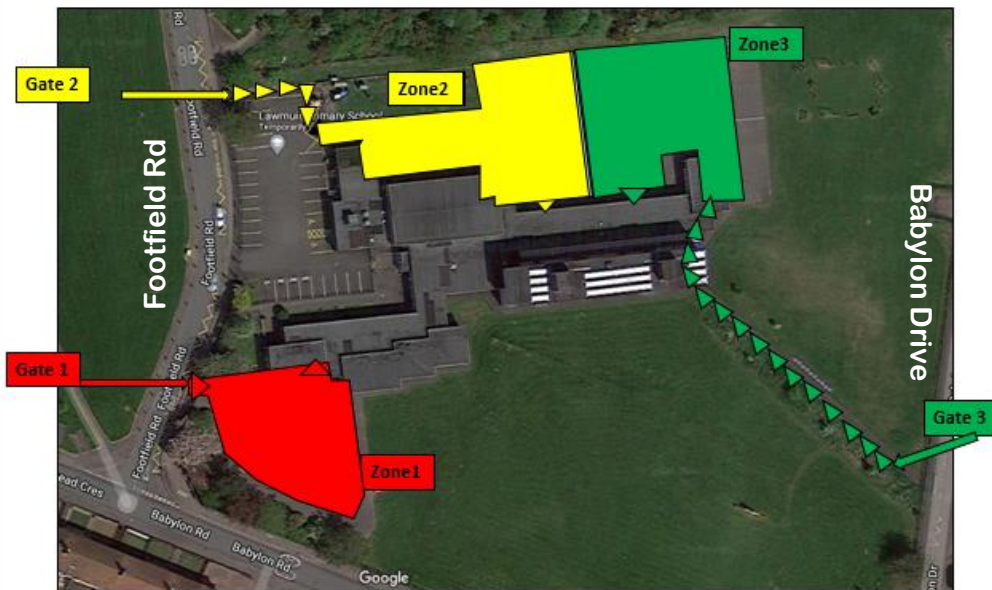

We hope the app will aid communication between school and parents as well as providing easy access to much needed information about school life.

To download the app go to the Apple or Google store to download the **Scot Ed** app onto your device. Once you have downloaded the app search for the school name - **Lawmuir Primary**.

You will now have access to the app and all the features.

In the app settings menu you can configure the app to receive notifications that relate to your child's class/classes.
