

# Greenfaulds High School - Technical Department

## S2 Graphic Communication

### Brief

The Lego store in Buchanan Galleries are hosting a challenge to build the biggest Lego structure for the Guinness book of records. The advert will be shown on the rotating billboards throughout the centre so it needs to be eye catching, as it will be on display for 10 secs each rotation.

### Event Details

Location: Lego Store, Buchanan Galleries

Date: Saturday 30th July 2016

Time: Starts at 10am

**Your task:**

**Produce thumbnails (x4) in relation to the brief.**
