# Options Advice for S3 moving into S4

## Please read carefully:

- You **MUST** choose subjects for S4 which you have already studied in S3 to ensure progression

- Please underline one subject in each column that you would like to continue to study in S4

- Place a (2) to show your second choice, if there is another subject that you have studied in that column
- We do our best to give you as many of your first choices, but cannot always guarantee it

# Options Process Timeline

## Key Dates

- W.B 15/2/21 – Option Forms posted to pupil homes (2 copies will be included)
- W.B 22/2/21 Pupils and parents/carers consider options and make choices. Forms returned to the school.

## N.B

- Complete the 2 forms with exactly the same options – one to return to school and the other to keep. This may help if we need to communicate with you.
- Remember also to include your name and class before returning the form to the school.
- We may need to make some changes to try to accommodate first choices, where we can, and will do that after all forms have been returned. If this is the case we will communicate with your before final options are confirmed.

# Pupil Survey – Online Learning

After the Assembly I will post a survey on the S3 Team designed to seek pupil views with regards to the delivery of online learning.

## We will ask about the following:

- Access to appropriate devices
- Access to internet
- Ability to engage with work on teams
- Feedback on the range of learning being offered by staff
- Suggestions

# Online Learning – A Reminder

- Engagement with online learning is being monitored by SMT and communication will be made with parents for lack of engagement, poor quality work etc.
- Most teachers will have a live session scheduled each week to enable you to go onto teams and have direct access to your teacher for help and support.
- Please ensure you keep up with the work set and let pupil support teachers know if you are having difficulties – we have a member of staff available each day in school to answer parental calls.
