| Chemistry | Higher | 1.25 - 3.45pm | (2hr 20mins) | Paper 2 | Assembly Hall |

Additional assessments will take place in class as part of the ongoing learning and teaching process. These may also be used to help generate the school estimates which would be used as final grades in the event of the SQA exams being cancelled again this year.

We are also planning to hold a second exam diet in the middle of March. The aim of this diet will be to provide pupils with a more realistic exam experience of the same length and demand as the formal SQA exams and while also helping to generate further evidence for candidate estimates.
