Dear Parents/Carers

**Proposal to consult on:**

**Bothwellpark Secondary School Relocation to the Edward Lawson Centre**

**Creation of P4 – P7 LCSC as part of St Aidan’s LCSC based at the Edward Lawson Centre.**

**Creation of a 0 to 18 campus at the Edward Lawson Centre**

Following the council-wide review of Additional Support Needs in 2019, recommendations were made to improve the service. Findings included the need for higher quality facilities along with increased collaboration between schools and services to benefit pupils and their families, staff, and the delivery of a full and robust learning experience.

The proposal to develop a 0 to eighteen campus within the Edward Lawson Centre was presented to the Education & Families Committee on 14 September 2021. This paper is available to the public: <https://mars.northlanarkshire.gov.uk/egenda/images/att96903.pdf>

The outcome of the Education and Families Committee was agreement to carry out consultations with parents, pupils and staff who will be affected by the plans. The consultations are expected to begin 27 September 2021 and we look forward to sharing the details of the proposals with you and gathering your views and the views of all stakeholders. In the meantime, if you have any questions, please talk to the Head Teacher at your child’s school.

Yours sincerely
