Dear Parent/Carer

VIDEO PARENTS' MEETINGS

You are invited to make appointments for the S5-6 Parent/Carers' Evening. The meetings will be booked online, and then held by video meeting.

The S5-6 Parent/Carers' Evening is **Tuesday 6th December 4.15pm – 6.45pm**. To make your appointments please login at: www.parents-booking.co.uk/coltnesshigh

PLEASE NOTE: You need to type this address into your website browser's 'address bar'. Do not try to 'Google' this website address or use a search engine as that will not work. This is a common mistake especially on phones and tablets.

Appointments will be available to book from 9am on Wednesday 30th November until 12.30pm on Monday 5th December.

To login you will need to enter:

- Your first name and surname
- Your child's first name, surname and date of birth

The login details you enter must match those we have on record for the main contact.

After you have made your appointments, you can choose to print or e-mail a confirmation of bookings.

Shareable Join Link - A specific feature of the video meetings is that two parents/guardians can attend the same meeting from different locations. A Shareable Join Link is included within the email confirmation to allow parents/carers to share the link with another person.

On the day of your appointments, you need to re-login at the website address above 15mins before your appointments are due to begin. You will be able to join the video meeting room, where you can wait for your appointment(s).

Internet Browser Compatibility:

You must use one of the below devices and internet browser combinations for the video meeting technology to work:

- **Apple iPhone/iPad (iOS 11+):** Safari
- **Android phone/tablet:** Chrome or Firefox
- **Linux computer:** Chrome or Firefox
- **Microsoft Surface:** Chrome or Firefox
- **Mac computer:** Safari, Chrome or Firefox
- **Windows computer:** Chrome, Firefox or Edge (Chromium)

Helpful Tips

- If you cannot log in, please contact the school office.
- The email address field entered is only used to send your appointment confirmation. If you have problems logging in, it will not be because of the e-mail address you entered.
- There have been issues with Samsung and Apple devices running the most recent software- it is preferable to access from a laptop or PC that has a webcam.

Kind regards
