Dear Parent/ Guardian

EASTER FUN DAYS: As part of the NLC Wishaw and Shotts youth work team we have planned a variety of free activities for young people within their locality with the opportunity to get the opportunity to attend a trip. These will be held in Shotts Community Centre on Tuesday 2nd from 1pm-4pm, and Coltness Community Centre on Tuesday 9th April from 11am-3pm. We ask the young people bring along a packed lunch, we will provide snacks and juice throughout the day. There is going to be a variety of activities throughout both days for young people to get involved in.

EASTER TRIP: On Wednesday the 3rd of April we have arranged a trip to Sky Academy studios for the young people to get involved in a media workshop and create their own news bulletin. We will be collecting the young people from Shotts and Wishaw and then heading to Livingston for an interactive media session at Sky Academy.

On Wednesday the 9th of April and we have arranged a trip to the Glasgow Science Centre for young people to involved in STEM activities. We will be collecting the young people from Shotts and Wishaw and then heading to Glasgow to participate in science themed activities.

We ask that the young people bring their own packed lunch, which they will eat at the science centre. We will provide snacks and water. There are limited spaces so if your child is in keen to attend if you return the consent from as soon as possible please.

If you have any further questions, we are happy to answer these. My contact details are at the top of the letter.

Kind regards

Lucy Lynch
