DEVELOPING THE YOUNG WORKFORCE

COLTNESS HIGH SCHOOL

DYW at Coltness High School term 2025 to 2026 we have a number of events for pupils from all year groups to get involved in. These events will be posted through the news letters or pupils will be Informed by Mr McDonald PT DYW or PTPS Teachers.

STEP INTO FINANCE 2025

The aim of this type of event is to provide secondary school pupils from S3-S6, with a wider understanding of the Financial Sector and Industries and the potential career opportunities in those fields, whilst hopefully inspiring them to select the relevant subjects and pathways at school that can lead to the sector.

As a school we had around 50 pupils attending this years event, that was a great success.

S2 GIRLS INTO ENGINEERING

Young WEIR-WISE: Discovering Engineering with S2 Girls
University of Strathclyde

Participants will spend two days on the University of Strathclyde campus or join our online event and will hear from staff at the University and colleagues from the Weir Group who will provide an insight into studying and working in the field of engineering.

If Intrested Please Speak to Mr McDonald PT DYW or your PTPs teacher.

THIS YEARS EVENT

DRAGONS LAIR 2025

North Lanarkshire Council's flagship enterprise programme Dragons' Lair is an initiative aimed at encouraging innovation and entrepreneurship in our young people. It seeks to introduce them to the world of business, its importance to the economy and as a possible career option they may not have considered.

The initiative is aimed at all S3 pupils in North Lanarkshire schools. S3 pupils are asked to think of an innovative business idea and create a business plan for it. The business plans are scored and the top six plans will be invited to the Dragons Lair final where the pupils will present their ideas to the panel of Dragons
