

ECO NEWSLETTER

MARCH 2013

MEET THE TEAM !

CALDERBANK ECO COMMITTEE

The Eco Committee are working very hard to ensure that we are continuing to reach our targets and work towards our first green flag.

School Grounds Development

The children have been very busy this term. They have been looking closely at the 10 elements and deciding on our school priorities.

We will focus on -

- Litter/waste management
- School Grounds
- Bio Diversity
- Food and the environment

The improvements in the school grounds are well underway. The Eco Committee are organising a mural competition and the winning design will be painted by the children in term 4.

You can find out more of our plans by visiting the school website at -

www.calderbank.n-lanark.sch.uk

We want to attract more wildlife into our playground and include a nature garden with an eco greenhouse into our playground space.

Our allotment soil is ready for planting and we are looking forward to harvesting our crops later in the year.

Eco week
15th - 19th April

Eco Action !

Monday

Visit from St. Andrews Hospice and woodland walk with our Forest Ranger!

Tuesday

School to visit RSPB nature reserve and Zumba sessions for everyone!

Wednesday

Orienteering with our Active Schools Co-ordinator and Sugar Awareness workshop.

Thursday

Yoga classes for everyone and talks on dental health. Team building games and den building.

Friday

Planting at the allotment with our friends from the B&Q, You Can Do It Team !

Please bring in wellies to keep in school as we will be enjoying the outdoors in all weathers !
