

Dear Parents/Guardians,

We are looking to create a "Personal Achievement" area in the nursery to celebrate the achievements of children outside the nursery.

If your child has won any medals /trophies/ certificates at any clubs or reached any special milestones at home could you fill in the speech bubble describing what they have achieved. If they could also bring their award to nursery we will take a picture of them with it for the wall.

Examples could be medals trophies for swimming Tae Kwon Do, dancing etc.

Thanks,

Mr S Smith
