Mr Kenneth Ross
Head Teacher

Parent/Guardian

Dear Parent,

You will be aware, from local press and communications from Scottish Roads Partnership, that major road work is scheduled to commence on Monday, 25 January 2016, and is estimated to last 9 months.

Maps detailing the work to be undertaken can be found on the school's website. Further information can be found on the Transport Scotland Website: www.transportscotland.gov.uk/m8m73m74

First Bus information can be obtained at <http://www.firstgroup.com>

Any effects on the safety and punctuality of pupils will be monitored during this time. We would ask parents to look over the details of the maps and take this information into consideration when planning any alternative route to school.

We would appreciate your support by encouraging your child to keep to the pedestrian footpaths which will be set up and to use the underpass (Gartcosh Walk) to avoid, what will be, an extremely busy road.

Yours Sincerely,

Catherine O'Keane

Depute Head Teacher
