A lengthy update re the practicalities for the planned Race Night was provided and discussed – no requirement to detail here except that it goes ahead on 28<sup>th</sup> March as agreed. Ticket sales are low possibly due to competing events and lack of uptake generally. (Notes made and will be provided to CNHS Parent Voice who are attending to support and organise event)

Mr Smith discussed spending the money from the Race Night on improving signage around the school , so that pupils can easily follow directions to class, improve attendance and reduce pupil concerns/wellbeing etc. Parent Voice noted no issues with this.
