

CNHS INTENSIVE EXAM SUPPORT DAY SCHEDULE 2025

To support the existing after school study support arrangements, study guides, Easter revision classes and to ensure 'last minute' assistance is available to pupils, Cardinal Newman has in place a range of optional subject immersion classes that will occur the day before (in many cases but not all) the SQA examinations.

This will give students the opportunity to come into school at a designated time to go over any last minute concerns, consolidate their revision or just seek some advice about the upcoming exam in a planned setting. These arrangements do not affect any additional informal meetings pupils may have with teachers during Study Leave.

Students must wear school uniform if attending these classes.
