

CNHS INTENSIVE EXAM SUPPORT DAY SCHEDULE 2026

To complement the existing after school study support arrangements, study guides, Easter revision classes and to ensure 'last minute' assistance is available to pupils, Cardinal Newman has in place a range of optional subject immersion classes that will occur the day before (in many cases but not all) the SQA examinations.

This will give students the opportunity to come into school at a designated time to go over any last minute concerns, consolidate their revision or just seek some calming advice about the upcoming exam in a formal and planned setting. These arrangements do not affect any additional informal meetings pupils may have with teachers during Study Leave.

Students must wear school uniform if attending these classes so we can easily identify them as students.
