2016

Hello Everyone

I'd like to extend a very warm welcome to all of our latest new starts. We hope that all our boys and girls are now very much enjoying themselves in Nursery!

Sharing the Learning – Tuesday 11th October

We would be delighted if you could join us in the Nursery for a little while on this day, some of our boys and girls will present a snapshot of all the things we have learned in Nursery so far. There will also be time to discuss the photographs and some of the information found in your child's profile folder. The following times have been allocated for each session:

Session	Times
morning	10:45-11:40am
afternoon	2:15-2:55pm

September Topic - All About Me and Scotland

The children have been very engaged in their learning - they can talk about the features of their face, main body parts, their families and home life and are also learning some important information all about Scotland. It has been lovely looking at all the photographs we have received, the children have been very detailed in their explanations of who is who in each photo and have enjoyed sharing such information with their friends. Watch out for a special letter addressed to your child in the post 😊

How to find out what's happening in the Nursery class

Please visit our nursery class blog, as I will ensure that it is regularly updated with Photographs and information about our nursery learning activities ☺

The blog can be accessed directly from the following link:

<https://blogs.glowscotland.org.uk/nl/EastfieldNurseryClass/>

Or by simply typing 'Eastfield School and Nursery Class, Cumbernauld' into your search engine.

Or don't forget in the cloakroom our TV screen is always updated with information and our digital photo frame is changed every month.

New Member of Staff

We are sorry to say goodbye to Mrs Clelland who worked with all the boys and girls in our blue group on a Monday and Tuesday but are delighted to welcome Mrs Oliver who will take over from Mrs Clelland. Mrs Oliver is looking forward to getting to know all of our parents and carers in the coming weeks and has already started to build lasting relationships with our blue group children.

At present, we are also very lucky to have Mrs Seymour, a student from Strathclyde University. Mrs Seymour is enjoying working and learning with all staff and pupils, she will be with us until the 7th of October.

Just a Reminder ☺

Shoes and Clothing :

Can we ask that children have suitable clothes for the weather and are wearing shoes which are easy to put on

Head Lice : Once a week, take a peek ☺

As in all schools and nurseries, there will occasionally be an outbreak of head lice. Therefore, can we ask that you periodically check and treat your child as required

School Car Park:

We would like to thank all parents for their continued support in parking in the Nursery and Visitor section of the carpark only

Kind regards,

Jennifer Nicholson, Nursery Class Teacher & the Nursery Team
