

Dear Parent/Carer

We, the Parent Council wrote to you recently seeking approval to amend our constitution to accommodate more members. I am delighted to inform you that this has now been official updated.

A copy of our new constitution can now be found on the school website under the Parent Council section.

The Parent Council are very involved in all aspects of the school and regularly have meetings with the Head Teacher to discuss important issues. Parent Forum members (consisting of all parents/carers with a child at Eastfield Primary) are welcome to attend all Parent Council meetings to observe our discussions and see how the Parent Council support the school.

You can also contact the Parent Council via email on enquiries@eastfield.n-lanark.sch.uk

Or by telephoning the school office on 01236 632106 and they will pass your details on to us.

The school twitter account and website provides up to date information for parents as well as the school newsletters. The Parent Council also uses the text alert system used by the school for important messages and reminders.

Our Parent Council does not operate our own social media communication but fully support the schools twitter account. This account is monitored and used in line with Local Authority guidelines and safeguarding measures.

The Parent Council do not support unofficial pages or personal social media views expressed about the school via personal parental accounts and would encourage parents/carers to use the range of communication channels that are outlined above instead. This ensures a co-operative and effective approach to identifying and addressing any parental feedback/complaints as appropriate. Furthermore please note that the Parent Council do not support unofficial social media closed groups or affiliate with them or their representatives.

The Parent Council are always looking for helpers for schools discos and if you would like to help please get in touch. If you have any suggestions on improving our communications links with you as a parent, please let us know we are always evaluating and improving our service.

Kind Regards

The Parent Council
