Subject: Fw: National Draft Framework

To:  Pamela Di Nardo

Dear Mrs Di Nardo

Please find contained within this email , a copy of correspondence sent today to Ms Angela Constance, Education Secretary in connection with the National Improvement Framework. This letter reflects the views of the Parent Council and the contents have been discussed in detail at various meetings and we are now in a position to be able to share this correspondence with you and your team.

Kind Regards  
Julie Baxter  
Parent Council Chairperson

Subject: National Draft Framework

Dear Ms Constance,

National Improvement Framework

Thank you for your letter dated 23<sup>rd</sup> September 2015 regarding the National Improvement Framework. We would like to thank you for your letter and your recognition of the important work of Parent Councils and their commitment to their role.

We attended the Annual Parent Conference in Glasgow in November 2015 and

were able to listen to your keynote speech with interest. We also had the opportunity to learn more about the National Improvement Framework there at a very informative workshop.

When discussing the Framework at our Parent Council meeting it was clear that we are confident our school is already heading towards achieving the aims set out in the drivers which form the basis of the Framework. Our Parent Council are advised on all of these aspects on a regular basis by the Head Teacher Mrs Pamela Di Nardo. Mrs Di Nardo not only shares and discusses the School Improvement Plan with us but also keeps us advised of ongoing professional development of staff, informs us of how the assessment of children's progress will be gathered and how this information will be used in order to inform pupils next steps in learning. Mrs Di Nardo and her school dedicated team also encourage regular parental involvement in the children's learning during the school year.

All the drivers of the National Improvement Framework are vital in improving outcomes for children, with children being at the centre of this National Improvement Framework and we fully support this.

We look forward to working with our school under the current excellent Leadership to help drive forward these further improvements.

Kind Regards on behalf of the Parent Council

Julie Baxter (Chairperson)

Eastfield Primary School, Cumbernauld
