The Scottish Poppy Appeal 2015

This week saw the launch of the Scottish Poppy Appeal. This annual event raises money for veterans and their families. Poppyscotland, the charity behind the appeal, have given the 2015 appeal the theme of "donate like you mean it". They are asking people to say what the poppy means to them and then donate like they mean it.

At Eastfield Primary School pupils from Primary 6 will be coming round classes this week and next with a collecting can to allow children to contribute to this worthwhile cause, with the proceeds then being passed to Poppyscotland.

Thank you for your support.
