

## In literacy, we are learning to:

P1:

- Explore and play with patterns of sounds and language.
- Read and listen to texts, sharing our likes and dislikes.
- Develop our ability to take part in conversation..

P1/2

- Ask questions to help us understand texts and learn new things.
- Say, make, break, blend, read and write words.
- Recognise and write a range of common words.

P2:

- Recognise that single sounds can be made using more than 1 letter.
- Find evidence in our texts to prove our opinions and answers.
- Read with increasing expression.
- Read with a consistent pace.

## In Health & Wellbeing we are learning about:

- Our rights and how to respect the rights of others.
- Keeping ourselves and others safe in class and the wider school environment.
- How to serve and return a shuttlecock.
- How to take turns and share resources.

## In maths, we are learning to:

P1:

- Explore numbers and understand that they are used to represent quantities.
  - Use numbers to create sequences, describe order and count.
  - Understand where numbers are placed on a number line and identify numbers before/after.
  - Spot, continue and create patterns.
- P1/2: Explore 2D and 3D shapes in the environment.

P2:

- Make links between seasons, months, weeks and years and plan our year.
- Partition double digit numbers using practical materials to represent values.
- Count in 2's, 5's, 10's and explore their relationship to times tables.
- Develop mental agility and problem solving techniques.

## Our Learning Journey Primary 1/2

August to October 2017

## Wider Curriculum

In assembly we are learning a range of social skills:

- Using quiet voices
- Using good manners
- Listening respectfully
- Treat people with respect

## Interdisciplinary Contexts

Children are studying France this term and will be learning:

### Write
