

In literacy we are learning to:

- apply our spelling strategies to new vocabulary and to find the root of a word
- use a dictionary to find the meaning of a word in the correct context
- develop our understanding of a text & our use of strategies through our modelling block on, 'Harry Potter and the Philosopher's Stone'.
- apply core targets to all of our writing
- apply genre features to write recounts & reports
- Listen carefully whilst others speak
- take notes & organise them under headings

In Health & Wellbeing we are learning about:

- our rights and our actions, creating a class charter together
- growth mindset and how our brain works
- how to work as a team
- to perform learned skills with a degree of accuracy and control - handball skills
- to apply knowledge of risk and safety when planning activities for themselves and others
- 1960's dance moves

In maths we are learning to:

- read, write, order & round whole numbers & decimal fractions
- apply Big Maths to develop our mental agility
- identify mathematicians & discuss the significance of their work today
- calculate wages/salary and debits

Our Learning Journey

P7b

August - October 2017

School/class

events:

Meet the Teacher 13/10/17

- Mock Court Tutor visit - October
- Showcase event - 11&12/10/17
- House Captain elections
- snapshot Jotter Week 2/10/17
- Parental workshops Literacy & Numeracy

Wider Curriculum

- at assembly we are learning about our house system, social skill of the week and Rights Respecting Schools
- we will be working hard to prepare for our whole school showcase
- We will begin our roles in the Mock Court Project
- take part in Tree of Knowledge workshops

Interdisciplinary contexts:

Through our Decades context we are learning:

- to develop our research skills to compare and contrast aspects of life in the 1960's with today
- to place historical events and figures into a timeline
- To understand how life changed after WWII and onto the 1960's
- about different styles of art music and dance
