

In literacy, we are learning to:

Spelling

Build vocabulary using a variety of strategies. Spell topic related and common words.

Reading

Focus on Inference and Summarising. Use reading strategies to better our understanding of our group and then our group novels.

Writing

Write a series of discursive arguments, narrative pieces and continue to develop core targets.

Interdisciplinary Contexts:

We are learning about what a **DEMOCRACY** is and we will compare political systems. We will explore the features of an election and the main UK and Scottish political parties. We will work together to create our own political parties and then organise our own election.

In Health & Wellbeing we are learning about:

Developing and maintaining positive relationships.

The impact that the media and peer pressure can have on our lives.

The benefits of being active and participating in different kinds of energetic physical activities.

In Maths, we are learning to:

Use expressions and equations to help us solve and answer tricky problems.

Identify the features of a range of 2D and 3D shapes. Use and understand terms such as radius, circumference and diameter.

Conduct simple experiments involving chance and predict answers using probability.

Investigate angles, naming, drawing and measuring them.

Our Learning Journey Primary 6a April to June 2018

Wider Curriculum:

Nursery Buddy System - P6's to meet with their buddy regularly this term.

UNICEF - The Rights of A Child (at assembly with DHT)

House points system

Participating in preparing and cooking food in our cooking kitchen. Learning about health and hygiene when cooking.

School/Class Events:

P6 camping trip to Fordell Firs
School Sports Day
House Treat
Wear Yellow Day
Summer Fete
Pupil Reports
