

In literacy, we are learning to:

Spelling

Build vocabulary using a variety of strategies. Continue developing spelling strategies.

Reading

Using and applying our reading strategies as part of a smaller group using what we have learned to better our understanding of our novel.

Writing

Write a series of persuasive arguments, discursive essays and develop core targets.

Interdisciplinary Contexts:

Learn about running an Enterprise project. Working with a group to design a product, calculate costs and work on generating marketing materials with an overall aim of making a profit.

In Health & Wellbeing we are learning about:

Keeping safe in all aspects of school life.
Healthy lifestyles and keeping fit.
Handball, Daily Mile
Friendships and Peer Pressure
Growth Mindset

Our Learning Journey Primary 6 October to December 2018

Wider Curriculum:

UNICEF - The Rights of A Child
The World's Largest Lesson
Global Goals

Young Sports Leader Training
with NLC Active Schools.

Modern Languages - Gaelic with
Mr Pendergast from GHS.

New House Points System

In Maths, we are learning to:

Appreciate the benefits from shopping around and interpret sales information and value for money.
Understand different ways of using and spending money and how people make money. The purpose of a bank and the positive and negatives of a variety of accounts.
Calculate travel time in a journey. Read and interpret timetables.
Use measurements, involving perimeter, area and volume.
Develop addition, subtraction, multiplication and division skills.

School/Class Events:

Tree of Knowledge session.
Photographer (Nov)
Enterprise end of topic shopping/selling event.
Children In Need
Christmas Jumper Day
Christmas Party
