

In literacy, we are learning to:

- Practise our spelling of new words using our knowledge of phonemes and common words
- To answer a variety of questions about the events in our books using Find it, Prove it, Talk about it
- Develop our reading and comprehension skills by reading in class and at home
- To develop our writing skills by linking to other areas of the curriculum - reports, recounts, narrative
- To use a variety of connectives in our writing
- To develop note taking strategies

Interdisciplinary Contexts

We will now move onto developing our knowledge of Polar Regions. Our focus of learning will include:

- Identifying where on map
- Researching factual information on Arctic animals and landscape
- Sorting and comparing Arctic and Antarctic animals
- Describe and discuss climate zones
- Explore examples of food chains

In Health & Wellbeing we are learning about:

Judo - coach until end of November

Yoga - learning new postures and breathing techniques through story/themes.
Practising mindfulness

**Our Learning Journey
Primary
August to December
2019**

Wider Curriculum

- Took part in Children in Need fundraising events
- Learning about how to promote Anti-Bulling
- Road Safety Awareness Competition
- Participated in our Science showcase of learning all about Forces
- Green for Go - Golden time award

In maths we are learning to:

- **Big Maths** - continue with Beat That trying to beat our scores!
- **Addition and Subtraction** - mental and written strategies
- **Multiplication** - practice 2, 3, 5 and 10
- **Division** - sharing amounts equally with increasing confidence
- **Money** - using different combinations of coins, answer money problems, play fun games to learn new concepts
