

## In literacy, we are learning to:

- Practise our spelling of new words using our knowledge of phonemes and common words
- To answer a variety of questions about the events in our books using Find it, Prove it, Talk about it
- Develop our reading and comprehension skills by reading in class and at home.
- To develop our writing skills by linking to other areas of the curriculum - narrative, persuasive and instructions
- To explore and use similes to make our writing more interesting
- To use persuasive language and share our opinions clearly

## In Health & Wellbeing we are learning about:

**Football** - coach until end of March. Developing team work, ball skills, defense and attack skills

**Dance** - create short sequences to music in groups and explore a variety of styles

**Fitness** - develop our fitness through circuits and challenges

- Exploring our **rights and responsibilities**
- Understanding our **emotions**

## In maths we are learning to:

- **Big Maths** - continue with Beat That trying to beat our scores!
- **Number Talks** - developing and discussing our mental strategies
- **Measure** - using equipment to measure using cm, mm, l, ml
- **2D and 3D Shape** - know their properties and identify lines of symmetry
- **Time** - To tell the time on analogue and digital clocks.
- **Addition and Subtraction** - mental and written strategies and written sums with carrying.
- **Multiplication** - practice 2, 3, 5 and 10 times tables and written sums with carrying.
- **Division** - sharing amounts equally with increasing confidence and with remainders.

## Our Learning Journey Primary December to April 2020

## Interdisciplinary Contexts

We will now move onto developing our knowledge of **Robert Burns** and **Knights and Castles**. Our focus of learning will include:

- Research the story of an individual of local historical interest.
- Recreate the story of an individual of local historical interest.
- Explore places and develop an awareness of the ways we remember and preserve Scotland's history.

## Wider Curriculum

- Green for Go - Golden time awards
- Pupil of the Week and Rainbow winners
- Learning about Fairtrade and using products in the cooking kitchen
- Performing in our class assembly
