

Chapelhall Primary School

Fundraising

10th September 2023

Email: Chapelhallpsfundraising@gmail.com

Facebook Page: [Chapelhall Primary School Parents' Group](#)

The Parents Group/Fundraising Group are now back in full swing, with lots of new and existing members, who are very keen to raise as much money as possible for our children. We are working hard in the background to help raise these funds for the school.

Funds we raise will provide lots of experiences, resources and events throughout the year for our children including:

- Fun Days
- Seasonal Resources/Experiences (Easter, Halloween, Christmas)
- Discos
- School Trips
- Additional resources for teachers to help support children's learning in class

Schools do not receive funding for any of these additional things and we want our children to have the best primary school experiences possible. We want them to enjoy discos with their friends whilst coming along helps to raise funds for the next event.

The children absolutely loved the Summer Fun Day in Session 22-23 and this is something we really hope to be able to do again. However, without your help it is very difficult to raise the funds to make this happen.

With a little help from everyone we can make sure the children benefit from, and get to enjoy, as many experiences and opportunities as possible. This doesn't need to be financial help.

There are lots of other things that we also need help with including:

- Helping at discos i.e. on the tuck shop/taking money in at the door
- Becoming a Fundraising member and helping with practical tasks and admin activities
- Handing in anything that we could use as raffle prizes (unwanted gifts/bottles)
- Phoning round/popping into local businesses and asking for vouchers/donations that could be used at our events for raffle prizes
- Purchasing something small from our "Amazon Wishlist" (details on Facebook Page)

If you have anything just now that you would like to donate, please e-mail the e-mail address above. We really would appreciate this kind of help.

We have a Facebook Page "*Chapelhall Primary School Parents' Group.*" We will be updating this frequently.

This will be our main method of communication about parent events/activities/ways to help so please make sure to follow our page. We will also post reminders on our page prior to events taking place.

The fundraising team can be contacted via Facebook or at the email address above if you have any questions or want to help in any way.

We really hope to make this session one to remember for our children!

Thank you for all your continued support.

Ashley Sharp (Parents' Group Chair) and the Team 😊
