

The Primary 1-3 pupils came in well today. There were a few hiccups, as expected but as parents, pupil and school staff become more familiar with the new procedures in place this be smoother.

Reminders:

P2/3 & P3 **Yellow Zone** (main playground gate) 8.55am - 2.50pm

**Green** and **Blue Zone** (new side gate) P1 allocated times given. 9.05am – 9.25am then 2pm -2.20pm (first week only will be revised)

**There will be an area coned off at the front of the school for the bus to allow the pupils to safely get to their zone.**

To help minimise the amount of adults at the gates the following would be helpful and appreciated:

If your child can walk to the gate without an adult

If only one parent drops off and collects child

Once your child has entered the school gate, adults move away quickly

Agree a pick up point that your child will meet you away from the gate. (P4-&7)

Agree a pick up point close to the gate area for P1-P3. Move away quickly to allow others to collect their child.

Pupils in P1-P3 will only be dismissed once we can see the adult collecting.

Drop off and Pick will be busy and we need everyone to work together to try to make this as smooth as possible for the pupils.

Make sure your child knows the arrangements for their collection. If anything changes please phone the school so we can inform the class teacher and your child.
