This term we are going to be learning about Katie Morag. We will be learning about what it is like to live on a small Scottish island. We are going to make our own model of the island and learn about different types of weather.

During Literacy we are going to be working hard on learning our common words and our initial sounds. We are looking forward to reading stories about Katie Morag and Percy the Park Keeper. We are excited about writing our own stories too.

In Mathematics we will be learning about number stories, addition and time. We are looking forward to singing songs and playing games to help us to learn the days of the week and the months of the year.
