

Welcome to our class newsletter. My name is Miss Harper and I am delighted to be Room 12, P5 & 6's teacher. We aim to work hard every day and try our very best.

This term we are very excited to learn about Wallace and Bruce; the Wars of Independence. This topic will allow pupils to find out about this turbulent time in our history. We will be finding the answers to questions such as: What led to the Wars of Independence? What did Wallace and Bruce achieve? What happened at Stirling Bridge, Falkirk and Bannockburn?

During Literacy we are continuing with our novel studies; this term's authors are Jeff Kinney and Roald Dahl. In writing we are learning how to write good quality discursive pieces, narratives and instructions. To help us become even better - readers and writers we are developing our spelling, grammar and punctuation knowledge.

In Mathematics we are researching famous mathematicians, we are going to find out more about Pythagoras, Gauss and Fibonacci and their impact on our learning. We are exploring multiples, factors and primes. Next we will focus on time. Towards the end of the term we will be focused on angles, symmetry and transformation (2D shapes). Phew! What a term!
