Our Learning this Term

This term we are very excited to learn about Foods Around the World. We are looking at traditional dishes from various countries and we will be tasting and cooking some foods from distant lands.

During Literacy we are learning how to write instructions. We are also reading lots of Traditional Tales and retelling these stories by using puppets and role play.

In Mathematics we are working on telling the time. In number work, we are learning our 2, 4 and 8 times tables and finding patterns between them.
