

Miss McGlade and Room 6 Newsletter

Jan-April 2018, Term 3

Welcome to our class newsletter. My name is Miss McGlade and I am very lucky to be Room R6, P3's teacher for the year. Our class aim to work hard every day and work together with their peers.

Look at your child's colour-o-meter in his/her homework diary and discover his/her success. Don't forget sign and add a comment!

This term we are very excited to learn about the Foods From Distant Lands. Pupils made a great job of collecting food packets which showed us the many countries that our foods come from. We will also be looking at foods and traditions of countries including Scotland, China and Spain.

During Literacy we are learning to write instructions, persuasive pieces of writing and narrative stories. We will link our writing to our Foods From Distant Lands topic. We are enjoying learning how to create visualisers to describe characters and scenes and how to complete comprehension questions based on our book.

In Mathematics we are looking at position and movement using directions, compass points and angle turns. We are having lots of fun making our own maps and directing our friends during group tasks. Room 6 are also becoming much more confident in Number Talks which is improving our mental agility.
