Dear Parent/Carer,

We would like to give you the opportunity to attend a series of workshops hosted by Martin Bell our CLD Worker (Schools). These workshops will run on a weekly basis.

They will help:

- parents and carers develop positive relationships with their child
- develop strategies on how best to support their child in school
- behaviour management strategies
- how to access support services and identify funding opportunities.
- provide opportunities to meet other families in the school community.

These workshops are particularly for any parent or carer who feels their child is struggling to communicate or would benefit from how best to support their child in school life.

At Lawmuir we pride ourselves in building positive partnerships with parents. If you are interested and unsure if you or your child would benefit from this series of workshops, please contact the school office.

Yours sincerely
