Dear Parent/Carer,

Firstly, can I thank you for the feedback you provided after the virtual transition parents' evening we held before the Easter break. It was clear from the responses that virtual drop in clinics would be something parents would appreciate. This will allow parents the opportunity to speak with a member of our Pupil Support team individually and ask any questions you may still have regarding your child's transition to the Academy. This is not compulsory and only there if you require any additional information. This would be done on the same Microsoft Teams page as the parents' meeting and will be offered on the following dates:

Wednesday 19 th May	3pm- 4pm
Wednesday 26 th May	3pm- 4pm
Wednesday 2 nd June	3pm- 4pm
Wednesday 9 th June	3pm- 4pm

Your child should already be a member of this team however, if not the code to join it is: **kgjwj8t**

Furthermore, it is our intention to invite our new P7 intake to the school on either Monday 7th June or Tuesday 8th June, which will allow the pupils to see round the building and take part in some fun transition activities. More information will be provided nearer the time as current primary bubbles will need to stay in place. Each of our cluster primary schools will have either a morning or afternoon at Bellshill Academy.

Finally, our 2021 intake is currently at 150 pupils which is our highest in several years. This is testament to the hard work of our staff across the school and we look forward to having the opportunity to meet our new pupils and families as we start this journey through high school together.

Yours sincerely,

Mr A Hamilton
