

Enrichment in Bellshill Academy

Dear parent, you will be aware that NLC schools are moving to a 32 period week in August. This means on Fridays the school will offer a variety of wider achievement activities for young people. The types of activities on offer will be dictated by the demand from young people and will be supplemented by other activities available throughout North Lanarkshire.

Following this letter is a proposed list of activities we *may* be able to offer in Bellshill Academy. In order to help us finalise our programme, we need a note of definite interest from pupils. Can you please register your child's interest by completing the form using the link below. It is very important your child completes this as courses are only available subject demand.

Please note, this list is a *proposed* offer only and *may change* with activities added or removed. The form also offers the opportunity for young people to suggest an activity not included.

It would also be useful if young people indicated if they would not be taking part in Future Fridays as may be the case for a variety of reasons.

Please do not hesitate to contact the school if you would like to discuss it further.

Many thanks,
Mrs McGraw
Head Teacher

Please use this links to complete the form:

CLD: Offer in school and other locations

Meet and Greet 20th August On line

In addition, on August 20th, which will be the first Future Friday, CLD will provide both online information and a meet and greet local events for young people to find out more about opportunities within CLD and their local community.

Living Life to the Full Mental Health Course (S1 – S6)

Young People will have access to booklets and online resources to explore different mental health coping strategies. This is delivered in a supportive, safe group work setting and can help build confidence, resilience and optimism for the future.

Youth Leadership / Volunteering Training (S4 – S6)

Volunteering in Youth Work or any setting is great experience and looks good on a CV and / or UCAS application. Youth Leadership training will cover First Steps to Youth Work and participants can progress to other training such as the PDA in Youth Work. Following the training, participants can choose from a variety of volunteering in the community. In addition, participants can link the training and volunteering to a range of youth accredited awards such as Saltire, Duke of Edinburgh Award, Youth Achievement Award, STEM Young Leaders Award

Duke of Edinburgh Award (S3 – S6)

Young People are required to complete all four sections to gain the award. These sections require the participant to record and evidence their personal progress and achievements in their chosen skill, volunteering, expedition and physical activity. To help prepare for taking part in an expedition, participants are required to attend navigation training, camp craft training and practise walks. The DofE Award is highly recognised and participants can progress through all levels from Bronze, Silver and Gold

LGBT support / Action Group (S1 – S6)

A safe space for LGBT young people and allies to take part in a range of different activities planned by and with the group members. These can fun games, quizzes as well as using LGBT history month and Pride month to explore issues relevant to those LGBT. In addition, LGBT groups can plan local event and activities to raise awareness and celebrate diversity. Support groups / action groups can also be arranged if young people who to explore a particular issue / concern or meet as a group with a shared in interest.
