Dear Parent / Carer

Now that we have our enhanced school library up and running, we would like to offer our pupils the opportunity to borrow a book from our school library so they can read for enjoyment at home.

Our P7 Library Leaders will assist our pupils in this weekly lending library initiative.

If you would like your child to borrow books from the school library, please sign and return the slip below to the school office by Monday 25th April. This will help our P7 Library leaders organise a lending library weekly rota.

Please note that parents/carers are asked to support their child in returning books to school. The book must be returned in order to borrow another book. We will send out further information to let you know when this initiative will be starting.

Thank you for your continued support and we hope you enjoy sharing the library books at home to encourage reading for enjoyment.

Yours sincerely
